Dear Ms. Kelly:

Thank you for your letter of September 25, 1997 regarding the Mid-Year Report (1/1/97- 6/30/97). This letter was received by the campaign committee on September 29, 1997.

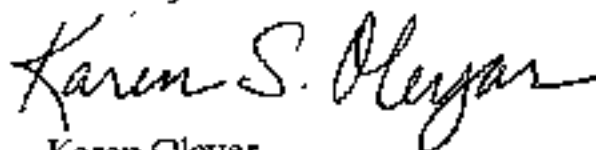

Amendments made to the report have corrected the discrepancy mentioned in your first itemization.

With regards to your second itemization, we have amended the report in order to disclose the additional information you requested.

With regards to your third itemization, upon review of the report, we have discovered why the contribution referenced by your attachments appeared to exceed the contribution limit. The \$500 contribution from Grane Associates which was disclosed on this report was received for the general election but a data-entry error resulted in the contribution being disclosed on the report as a primary contribution. We have corrected the mistake on the amended report.

It is our expectation that the amended pages of the report and this letter of explanation addresses all of your questions, however, if you need further information, please do not hesitate to contact me.

Sincerely,

Karen Oleyar
Treasurer
